5. PUBLIC HEARING AND POSSIBLE ACTION ON PUBLIC HEARING ITEMS

- A. Appl. #2025-7, 7 Williams Road,** – requesting a variance of Section 24, Schedule B, Line 7.1, to reduce the front property line setback to 25 feet for where 50 feet is required, for expansion of existing front porch. ***Owner: Carlton Platt/Applicant: Nicolas M. Pisano.***

PUBLIC HEARING

Chairman Kenning stated that the applicant has complied with the notification requirement.

Chairman Kenning reviewed the application with the Board stating the hardship is that the house was originally built within the setback and approximately 40 feet from the property line, therefore any work performed in the front yard would require a variance.

Heather Zito, 168 Ridge Hill Road, Guilford, CT reviewed the application with the board on behalf of the applicant Nicholas Pisano. They are looking to put a 12 x 22 covered porch to sit with rocking chairs and have their coffee.

Member Fonda – is this a recent purchase?

Ms. Zito responded that they have purchased it 2 months ago and the previous owners were allowed to stay there. They have now moved out and they are starting to do things.

Chairman Kenning asked if anyone wants to speak in opposition of the application?

Chairman Kenning asked if anyone would like to speak in favor of the application?

Chairman Kenning closed the public hearing at 7:21 p.m.

POSSIBLE ACTION

Member Vollero stated that he can see how having a front porch would be extremely handy. It is a pretty benign request and it will improve the appearance of the neighborhood.

Chairman Kenning stated that the house is within the setback already and I see the hardship itself.

Member Fonda moved, seconded by Vice Chairman Katon to approve **Appl. #2025-7, 7 Williams Road**, – requesting a variance of Section 24, Schedule B, Line 7.1, to reduce the front property line setback to 25 feet for where 50 feet is required, for expansion of existing front porch.
